& THE GHOST
CHAPTER ONE

If you're reading this,

something survived.

SIGNAL 0x00

Not everything

is gone.

Hope can travel

farther than light.

03/GHOST INSIDE THE LIGHT
Were you ever
flesh and bone?
KIRA & THE GHOST

Someone was here

long ago.

But I still hear

you calling.

Still your memory

is mine.

Still your voice
becomes my guide.
KIRA & THE GHOST

08/HOLLOW SKY
Like the morning
finding you.
KIRA & THE GHOST

09/STILL HERE (AFTER THE SILENCE)
I am here.
Still here.
Still.
